*** Final Reminder***

Order Deadline for all embroidered Garments: this Friday 31 May 2024

For more information: [t-shirt-and-polo-shirt-orders](#)

Have you ordered the right size? The sizing for some garments is not standard - please follow the recommended guide for getting the correct size:

1. Find a similar garment that you are comfortable wearing and lay it on a flat surface.
2. Measure armpit to armpit for chest width.
3. Measure top shoulder seam to bottom hem for body length
4. Compare these measurements against the sizing guide for each type of garment.

Transport between Brisbane Airport and Gatton

Many of you attending Winter School are from overseas or interstate so we will be organising coach transport from Brisbane Airport to Gatton Campus and return. The coach will stop at the Domestic and International terminals as well as the Brisbane Transit Centre, CBD. Here is our current plan, depending on numbers:

Sunday 7 July: 2 coaches to depart the Domestic Terminal - one at 12 noon and one at 3pm.

Pick up points: Domestic Terminal, International Terminal, Brisbane Transit Centre, CBD

Cost: \$40

Sunday 14 July (around 10am):

Transport from Gatton Campus to the Domestic and International Terminals via the Brisbane Transit Centre

Cost: \$40

To take advantage of this transport please complete the attached form. We need to know your flight details, which coach you plan to travel on from Brisbane airport - the 12noon or the 3pm departure - and your return travel requirements, if applicable.

If these bus timings do not suit, you could look at the commercial bus companies that offer transport between Brisbane and Gatton: Murrays and Greyhound. For further information, links are on our website:
